

## MANAGEMENT

The management of each Stake shall be entrusted to a STAKE MANAGER, appointed by the Bloodhound Club Committee.

The Stake Manager shall be responsible for ensuring that the Regulations are observed, but may not interfere with the Judge's decision, which shall be final.

The Stake Manager shall decide upon any matter not related to judging and not provided for in the Rules and Regulations and may call upon the Judge or Judges to assist in the decision, which will be final.

The Stake Manager should be present throughout the Stake and must not enter or work a hound in the Stake. The Stake Manager and the Judges should assess the weather conditions and should they consider the weather unfit for holding the Trial the commencement may be postponed until such time as it is considered necessary for the Trial to be abandoned and the entry fee returned.

## COMPETING

Only one person may handle a hound during a Trial; an owner having deputed authority to another must not interfere with the handling of that hound.

No competitor shall impugn the decision of the Judge or Judges.

Punitive correction or harsh handling of the hound is forbidden.

No hound entered for competition and at the meeting may be withdrawn from competition without notice to the Stake Manager.

## ORDER OF RUNNING

The order of running shall be determined by a draw which competitors may attend. Competitors will be notified accordingly by post of their reporting time prior to the day of the Trial, but are required to attend the meet.

Competitors may exchange their lines by mutual agreement, provided that they notify the Stake Manager in advance.

## DISQUALIFICATION FOR ABSENCE:

If an entered hound is absent one hour before the published start time for its line, the hound shall be liable to be disqualified by the Judge.

## JUDGING

Should a judge be unable to fulfil his engagement, the Bloodhound Club committee reserves the right to appoint a substitute. Replacement judges appointed in an emergency must have previous judging experience. When a Judge is prevented from attending or finishing a meeting which has commenced, the Stake Manager shall decide what action is to be taken.

The Judge shall decide upon the fairness of a line, and a new line shall only be provided at the sole discretion of the judge.

Any award or prize may be withheld if in the opinion of the Judge there is a lack of sufficient merit.

Judges may award Certificates of Merit in all stakes to any hounds not being placed which have given good performances.

## KENNEL CLUB BLOODHOUND WORKING TRIAL CERTIFICATE

The Judge of the Senior Stake may recommend the hound awarded First Prize, be awarded a Kennel Club Working Trials Certificate, if it is seen to approach and clearly select the line-walker from a group of three people at the end of the line. The judge must be satisfied that the hound has completed the line and identification without assistance.

## LIABILITY

**The Bloodhound Club Committee will not be responsible for any injury or compensation occasioned by or arising out of these Trials.**

Owners of Bloodhounds at the Trials will be liable for any damage they may do, and their handlers must ensure the hound's welfare, keeping leashed if necessary.

Any hound chasing or injuring livestock may be refused entry or be required to hunt on a leash at any future Trials, such a condition to be imposed at the discretion of the Club Committee.

## CLASSIFICATION

### a. Working Permits

To compete at Kennel Club Licensed Trials a hound resident in the UK must hold an Association of Bloodhound Breeders or Bloodhound Club Working Permit.

Hounds resident in countries outside the jurisdiction of the Kennel Club must hold a Restricted Working Permit issued by a Bloodhound Club in their own country similar in content to that issued in the UK. Awards gained at Bloodhound Trials held overseas do not count towards eligibility to compete at Trials licensed by the Kennel Club

### b. Stock Test

Bloodhounds entered on a restricted permit must be hunted on a leash; they may only be hunted free if they hold part two of a Working Permit issued by the Association of Bloodhound Breeders or the Bloodhound Club to certify they are steady with farm stock. Hounds are required to have passed a stock test in the UK before being hunted off leash and are ineligible to compete in a Senior Stake until successfully stock tested. Hounds can take Part One of the working permit after they reach the age of six months, however hounds must be twelve months old before they can take Part Two of the permit.
